## Makers of Educational, Inspirational and Sensational Games!

For over 50 years Talicor has published hundreds of award-winning board and card games. We continue this journey today with more purpose than ever. In a world filled with the latest tech toys and games, traditional board and card games are timeless, nostalgic and very rewarding. The human desire to gather with friends and family or children with their grandparents is wholesome and value driven.

Talicor games embrace many areas of play. Communication, Education, Strategy and Critical Thinking to name a few. So if you're a retail store owner looking to satisfy the interests of the specialty market or a parent searching for great games to experience with your children, we invite you to consider what we have to offer.

We look forward to servicing our valued customers in 2019 and will continue to measure success from the feedback, smiles, and success of those we work with.

## Five Human Anatomy Games in One!

### SomeBody™ ▲

Five Human Anatomy Games in One!™

ages: 6+ | 1-4 players | 15+ mins | 5 levels of play

It's easy to understand why SomeBody™ is so popular. Young children play it as a puzzle, carefully placing body parts on the body boards and taking them off again and again. Older kids learn names, functions and locations as they play. With five different games included, all ages will learn and grow with this game for years to come. SomeBody™ has received rave reviews from homes to classrooms.

## FIFTH GEAR™ ▲

Place, Block & Interlock!™

ages: 8+ | 2-4 players | 20+ mins

The rules are simple: interlock five of your color gears with the white gear and keep others from doing the same! Players roll 2 twelve-sided dice on their turn and the numbers rolled determine gear placement and players have the option: place 2 gears, one on each number rolled -OR- place 1 gear on the SUM of the roll. But here comes the monkey wrench, players can bump opponents' gears off the pegs that match their roll and replace them with their own gears. The family fun factor: No two games are ever the same! The unique game board allows players to randomly place number tokens at the start of each game which results in fun new challenges and endless playability. Family game night will never get old!

## STRANDED™ ▲

The Ultimate Survival Game!™

ages: 8+ | 2-4 players | 20 mins

STRANDED™ is a quick, light strategy game where *being last will make you first*. Players remove randomly placed game pieces from the platform in hopes of trapping their opponents. But beware, each piece that is removed changes the game surface, creating new moves for some and taking away moves for others. The suspense will mount with every move or remove you make just remember not to fall into your own trap.

## Fill in the Bleep™

Where One Word is worth a Thousand Laughs!™

ages: 13+ | 3+ players | 30+ mins

Fill in the Bleep™ is the life of the party with its brow raising far out fun! Players are dealt five BLEEP cards each containing a single word. Each round reveals a sentence with a missing word. Players then submit their *Funniest*, *Quirkiest*, or *Dumbest* BLEEP card to be judged by the dealer. But beware of action cards that can change the game in an instant. The first to have all their BLEEP cards selected WINS!

## STOP 'N GO™

The CRAZY QUICK Game of Color Coordination!™

ages: 4+ | 2-6 players | 15+ mins

Stop'NGo™ is the action-packed quick playing card game that's fun for everyone! Play is driven by hand, eye and color coordination. Each round is a race to place your color cards on any discard pile of matching color but beware of the ZAP, PASS and Stop'NGo™ action cards. The first player to lay down all 15 of their cards WINS!

item: 4250 | case pack: 12

Teach toddlers basic color recognition, patterning, sorting, counting and improve their fine motor skills!

## Out Of Control™

The Stay Cool Strategy Game!™

ages: 8+ | 2-6 players | 15+ mins

Out of Control is an exciting and fast-paced card game that will have you sitting on the edge of your chair and provide hours of fun for the whole family. With the logic of a sequence game and the strategy of traditional rummy, Out of Control is challenging to master yet simple enough to learn in just minutes.

item: 1530 | case pack: 24  
box: 6.5625" x 4.1875" x 2.5625"  
UPC: 023151-015303

## Cha-Ching!™

"Sum-thing" like Rummy with Dice & Money!™

ages: 8+ | 2-8 players | 25+ mins

Cha-Ching!™ has the rush of rummy but for spice we added DICE! Players attempt to build an eight-card hand from picking up and discarding various valued cards to equal the Target Number rolled each round. The first to do so scores zero points for the round and the rest have their remaining cards counted against them. But beware, things can *cha-change* up mid play! Special Cha-Ching cards, when played, allow players to RE-ROLL the Target Number -OR- trade their hand with an opponent.

item: 4350 | case pack: 12  
box: 5.875" x 4.875" x 1.375"  
UPC: 023151-043504

Simply draw & discard  
each turn until your eight  
card hand equals the  
Target Number!  
(50+25+10+5+1+1+1+1=94)

## JERK™ ▲

**ages: 8+ | 3-6 players | 20+ mins**

JERK™ is the ALL-IN, ALL-OUT silly bead-on-a-string game of psych-out! The party will be roaring with laughter when players try to escape the mega-phone each round and JERK their bead to safety. All players start each round with their bead in the center ring. To avoid capture, JERK your bead to safety when a 7, 11 or doubles is rolled by the SLAMMER, (the player trying to trap you). For every successful bead escape players receive a token from the SLAMMER. But be weary of the Fake-Out! The SLAMMER can yell, scream and shout out false numbers to confuse players. If you pull away by mistake YOU pay the SLAMMER. Winner takes all in this frantic game of reflexes.

## KOR™ ▲ (Keep On Rollin)

You **ROLL** but the Dice have Control!™

**ages: 8+ | 2+ players | 25+ mins**

Buckle up! KOR™ is big, bold and geared to get to you rolling! Players are in the driver seat every turn and toss jumbo dice to log 25, 50 or 100 miles with each roll. How many times does a player roll the dice on their turn? As many as possible and they **Keep On Rollin™** until they are redirected. Roll three **STOP's** to end your turn and bank your points! Roll three **DEAD END's** and lose ALL of your points rolled in that turn. Roll three **U-TURN's** and send an opponent in reverse...BUT they will be rolling **AGAINST** their score and they **Keep On Rollin™** until stopped. First to score 6,000 points wins!
