CONTENTS

1 Game Board, 1 Deck of Cards, 4 Pawns, 1 Die, Rules

OBJECT OF THE GAME

Be the first player to reach the "You Always Win With Christ" space by successfully answering questions read to you by your opponent(s).

GETTING STARTED

Set up the board with the game pieces at the "Start" position and the cards in a convenient location. Each player receives a colored game piece. Roll the die to decide who goes first. The person with the highest roll goes first and play continues to the left. Each player selects 4 Question/Answer cards.

PLAYING THE GAME FOR THE AVERAGE PLAYER

The first player rolls the die and moves forward the indicated number of spaces. The player to the left then reads any question and multiple-choice answers from any of his 4 cards. (One card may be discarded and replaced per turn). If the first player correctly answers the question which is in bold type, he continues rolling the die and advancing as long as he answers questions correctly (3 turns maximum). If player answers incorrectly, play passes clockwise to the next player. **SUGGESTION:** As players move around the path, observe the events of Christ's life.

FOR THE MORE KNOWLEDGEABLE PLAYER

The player is read a question only, without the benefit of having the multiple-choice answers to choose from. This will make the game more challenging for those players well-versed in the Bible.

FOR YOUNGER CHILDREN OR THE LESS KNOWLEDGEABLE PLAYER

The player is read a question and only 2 of the multiple-choice answers (one correct, one incorrect), giving the player a 50/50 chance of getting the right answer. This will encourage participation in the game, raise self-esteem and instill Biblical teaching and discussions.

***NOTE:** All of the above variations of play can be used in the same game to equalize chances of winning.

WINNING THE GAME

The first player to get into the "You Always Win With Christ" space and answer correctly one final question, wins the game. (You do not need an exact roll to get to the final space). And remember, everyone "Always Wins with Christ"!

All questions are Biblically sourced for further discussion if desired. Our source for these questions is from a 160 year old King James Bible with which we have tried to update the translation of the questions. Some words and spellings may have been changed and some of the scriptures may vary slightly. We have done our best to bring authenticity to the game. However, if some errors exist, please bring them to our attention for correction on subsequent printings. We have tried to give every player an opportunity to learn more about the Holy Bible and Jesus Christ, our Savior.
