

# TICTACTWICE™

## HERD YOUR HORSES EDITION!

**A game of strategy and pattern recognition that features horses from the Herd Your Horses game! Easy to learn. Challenging to master.**

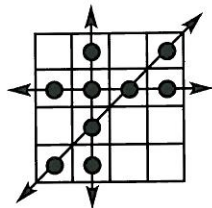

### 2 PLAYERS – AGES 7 AND UP

#### PLAYING TIC TAC TWICE:

Two players compete to be the first to place four of their magnets in a line either across, up-and-down or diagonally-with the added challenge of playing on two game boards at the same time. The special playing surface will keep your pieces in place while you play!

**To START:** Each player chooses a magnet color: Play begins with one player placing individual magnets on the same picture on each game board (i.e., placing a purple magnet on each of the donkey pictures found on each of the two boards.)

Players continue, **alternating turns**. The first player to position four magnets in a line wins the game.

Players will have fun coming up with new strategies for trying to win this addictive game!

**MEET THE HORSES IN THIS GAME!** Top row (left game board): Molly Sue, Jennifer, Freya and Frig, Patton. Row Two: Denver and Blaze, Belinda, Saint Philip, Bustin' Dust. Row Three: Wild Wind, Rebel Lady, Bright Eyes, Buddy. Row Four: Evening and Night, Joan of Arc, Thunderbolt, and Stormy.

More information on these horses including breed type, markings and color family can be found in Aristoplay's *Herd Your Horses!* board game which includes over fifty beautifully illustrated horse cards, an adventure game board and instructions for 6 games!
